RULES AND REGULATIONS

Sewage

The Utility shall offer sewage service within the confines of its geographical limits. System's maps will be made available to the customer. The sewage Utility will not be obliged to treat or dispose of material except sewage defined in 807 KAR 5:071E (Section 2 (7) as "ground garbage, human waste, and animal excretions, and all other domestic type waste normally disposed of by a residential, commercial, or industrial establishment, through the sanitary system."

The Utility will make all reasonable efforts to prevent interruptions, and when such interruptions occur shall endeavor to re-establish service with the shortest possible delay consistent with the safety of its customers and general public.

The Sewage Utility shall install and maintain that portion of the service pipe from the main to the boundary line of the casement, public road, or street under which main may be located. The customer shall install and maintain that portion of the service pipe from the end of the Utility's portion of the premises served.
